To: The RAYNET Team

Norwich Centenary Rotary would like to say a big thanks to the RAYNET team for your help on The Upton Family Walk day.

You guys being out there "in case of emergency" is a real help and gives us peace of mind in case anything should go wrong, like a missing person for example.

We have always thanked you by way of a small donation to your funds and are really touched by your offer not to take anything this year due to the lower numbers of walkers.

We have had fantastic feedback from those taking part, so we will repeat the walk again in 2018, date to be announced.

Your offer of help in the future is gratefully received.

Thank you RAYNET team.

See you in 2018.

Kind regards
