

# Norfolk County RAYNET

## URGENT

## To All RAYNET members

The RSGB has altered the Insurance Cover for RAYNET members. Until now, Norfolk County RAYNET Group has been covered under a Group Insurance. The Insurance Company has been changed — as from 1st January 2009 — to AXA Insurance UK Plc., with cover approximately twice the amount for each claim that was possible under the old Company.

**Under the terms of the Insurance, we need to give our individual name, call sign, and which age range we are in (up to 16 years : 16—75 years : 75 years—90 years) to the RSGB, and I need your consent to give that information.**

One Officer at RSGB HQ will keep the list of Insured persons, and will not pass on that information to anyone, except when there is a claim, when that Officer will confirm to the Insurance Company that the injured party is on the list of RAYNET members.

Many of our members have already given their consent and if you have already done so, please disregard this letter. If you have not yet given consent, please contact Hon. Treasurer Shirley 2E1HAO as soon as is possible, by phone (01603 716753), Fax (01603 717579) or by Email ([shirleyhao@tiscali.co.uk](mailto:shirleyhao@tiscali.co.uk)).

The RSGB Insurance covers activities and training that we undertake as RAYNET members. If we are called out in an emergency situation by either Norfolk County Council or the Police, we will continue to be covered by those Authorities whilst the emergency exists.

With Best Wishes

**Shirley 2E1HAO**
